Category	Grade	Comments
<i>Responsive to Constituents</i>	<i>F</i>	<i>Dozens and dozens of requests and texts over the past year to meet with Senator Bridges, many from constituents in his district. Always ignored.</i>
<i>Demonstrates an Understanding of the IDD Community</i>	<i>F</i>	<i>Has made comments on the record that demonstrate a total lack of understanding of who adults with IDD are and what services they receive.</i>
<i>Budget Supports IDD Community</i>	<i>F</i>	<i>Incapable of scrutinizing HCPF budget requests. At all.</i>
<i>Sponsors Legislation to Help the IDD Community</i>	<i>F</i>	<i>Nothing helpful to see here.</i>
<i>Other</i>	<i>F</i>	<i>Selected as “Legislator of the Year” by The Alliance of Colorado. Surely deserving after his comment that “parents bill for dropping their adults off at the mall.”</i>
Overall Grade	F	With D’s like this, it’s like living in the upside down
